PROFILE

A passionate and adaptable Information Technology student currently in the third year of college, with a growing foundation in software development and programming. Experienced in using multiple languages including HTML, CSS, JavaScript, Java, C#, C++, and Python. Committed to continuous learning and currently focused on strengthening Python development skills. Known for being a fast learner, a team player, and eager to contribute to real-world tech projects.

OBJECTIVE

Motivated and detail-oriented student seeking opportunities to apply foundational programming knowledge and continue developing technical skills, particularly in Python and software development. Eager to contribute to a collaborative and growth-oriented environment.
